Testimonial of Rick Barry – Top 50 NBA Player and Basketball Hall of Famer

“Once I learned just how PEI approaches the creation and maximizing of wealth, I was astonished that no one ever told me about these methods. The basic concept, which makes so much sense, has been around for hundreds of years, yet the majority of people are not aware of its existence. I call this process, “The Financial World’s Hidden Secret.” After fully comprehending the system, I immediately made changes to my wealth building by embracing the fundamental principles taught by PEI.”

“My goal is to enlighten as many people as possible about the benefits of PEI’s Be the Bank™ process so they can stop squandering so much of their money. As far as I am concerned, anyone who does not utilize PEI’s Be the Bank™ process and the expertise of the Personal Equity Institute is giving their money away needlessly. PEI truly is ‘Your Wealth Advocate’.”
